Peninsula Chamber Banquet To Fete European Consuls

The Palos Verdes Peninsula Chamber of Commerce has planned what they believe the "first" of its kind for its annual banquet tonight. The affair, to be held at Marineland of the Pacific, will honor the six European Economic Community Consular Offices. Frans Taelmans, Belgian Consul General, will be the principal speaker, offering a brief history, future, and effect of the European Common Market on the United States balance of payments.

Sanctioned by the World Affairs Council and in cooperation with the U. S. Chamber of Commerce, the function will have as master of ceremonies Ernest J. Loebbecke, director of the United States Chamber of Commerce and chairman of the board and chief executive officer, Title Insurance and Trust Co., Los Angeles.

BECAUSE of the natural interest generating from the immediate trade area of the South Bay, all local Chambers of Commerce will be represented. Displays will be shown for the biggest export item from each country.

Consuls to be in attendance will include Baron Louis de Cabrol, French Consul General; Raul Aglion, French Consular Officer; Dr. Tito Da Prato, Italian Consul; H. V. Vitzthum, German Consul; Nic. van den Pol, Vice Consul of The Netherlands; and Paul Pitz, Luxembourg Consul.

OTHER GUESTS of honor will include Dr. Vittorio Sanguineti, Italian Trade Commissioner; Walter Coombs, executive director, U. S. World Af-

fairs Council; Anthony Starcevic, director, Department of State Cultural Affairs; and Col. R. E. Shafer, commander, Robins Air Force Base, Georgia. Taelmans will bring a wealth of information and experience in his presentation due to the fact that as press secretary to the King, he participated in the original negotiations at the time the European Economic Community was organized.

Armed Forces

Lt. Darel L. Krutsinger of Harbor City is participating in Exercise Big Lift the joint Department of Defense demonstration of U.S. capability for rapid massive reinforcement of NATO forces.

Lieutenant Krutsinger, an Air Force navigator, is assigned to the Military Air Transport Service which is using 355 aircrews, necessary support personnel and more than 200 transport aircraft for Big Lift, the largest transoceanic airlift in history.

The lieutenant is the son of Mr. and Mrs. Woodrow W. Krutsinger of 190 Beach, Harbor City. He is a graduate of North High School in Torrance and attended El Camino College.

Also taking part in the exercise is Lt. Gary A. Denzer, whose wife, Shirley, is the daughter of Mr. and Mrs. Wallace Hammon of Lomita. The Denzers reside in Phoenix, Ore.

Tartar Teen Talk

By Pat Adams

Homecoming 1963 will be the highlight of tomorrow night's gridiron combat between the Tartars and the top-rated Aviation Falcons. Queen Sandra McElhose, dressed in the traditional white, will be escorted by Tartar Knight captain Mark Hart. The princesses are Beverly Albert, escorted by Hymie Ludoff; Claudia Barto, escorted by Bob Romero; Sandra Coffee, escorted by Bill Waterman; and Gail East, escorted by Steve Brown. Last year's

queen, Miss Carol Woodman, escorted by David Day, will end her reign at halftime when she will crown Queen Sandra. All alumni are invited to attend the game. The top 15 finalists and their proud mothers will be honored at a tea, sponsored by the Student Council, this afternoon at 3 o'clock.

THE TARTAR MOTTO, "Victory Must Be Earned," came true to life last Friday with our first win of the season.

The final score was 7-6, with the West Warriors just one point behind. Player of the week was Mike Blankinship, who scored the winning point. The win should give the team a big boost for the Aviation game Saturday.

Following the game last Friday, the Tartar Ladies sponsored an after-game rally and announced the player of the week and the top five for homecoming queen. A chemistry honors course is in the making for students who are accelerated in high school chemistry. It is useful as fine preparation for the A.C.S. test, or just for a review and clarification of class material. It is being offered before school on Tuesdays, Wednesdays, and Thursdays.

THREE TORRANCE High students represented THS at the Museum of Industrial Science in Los Angeles last Friday. The trio also toured the Space Technology Laboratories in El Segundo. Norman Bennett, Diana Geruc, and Eileen Banks found the science field trip most informative. The Girls' Athletic Assn. annual initiation day will be held next Monday in the main cafeteria after school. All new and prospective members are invited to attend. The senior sweaters have arrived, and the mighty Class of '64 is proudly displaying its

Stamp Club to Meet Monday

The Torrance Stamp Club will meet Monday evening at 7:30 in the Scott Park Community Building, 23410 Catskill Ave., Wilmington. A swap session has been planned for the evening. The club will hold its Christmas party at the first meeting in December, according to Walter W. Taylor, publicity chairman for the club.
